SAFETY WARNING:

In the wildland forest area outside city limits, use caution while enjoying its scenic beauty. Potentially dangerous animals make this area their home (black bears & cougars) and if encountered, should be avoided. Be especially watchful for small children and pets. Roads closed to the public are used by Forest Service and City of Ashland employees and their contractors on a year-round basis. Hikers, bikers, and equestrians should use extreme caution on roads as a vehicle may be encountered at any time.
